13. [] FBIS Took a call from Winslow Wheeler, in the office of Senator Jacob Javits (R., N. Y.). Wheeler asked if we could send him the text of the announcement by the Soviet government about reconvening the Geneva Conference on the Middle East. FBIS is sending me a copy to forward to Wheeler.

14. [] LIAISON The following congressional offices have requested the Agency publication that was mentioned by the press over the weekend entitled "Potential Implications of Trends in World Population, Food Production, and Climate:" Representative Stephen J. Solarz (R., N. Y.); Senator Pete V. Domenici (R., N. Mex.); Mr. Jim Webster, Senate Agriculture Committee staff; and Representative Tennyson Guyer (R., Ohio). We told the requesters that we would try to have the paper sent to them within the next couple of days.

15. [] INTELLIGENCE BRIEFING Bruce Van Voorst, in the office of Senator Dick Clark (D., Iowa), called and said the Senator is lunching with the Dartmouth Ten on Friday. He said the Senator would like a briefing by [] OCI, covering Soviet leadership, succession problems, current military developments, detente, arms control and a beginning survey of Soviet Union today and the U.S. The Senator would like this briefing either Wednesday or Thursday of this week at 1:00 p.m. I told Van Voorst I would check on this and get back to him.

I called [] OCI, and alerted him to this request and also said I would bring the matter up with the Director.

16. [] LIAISON Called Elly Vogtmann, Senate Foreign Relations Committee staff, and asked her if Chairman John Sparkman (D., Ala.) and Senator Clifford Case (R., N. J.) would be available on Monday, 10 May at 2:00 p.m. for an update covert action briefing. I told her this was only to bring them up to date, there are no new findings. She said she would check with them and let me know.

Later in the day, Ms. Vogtmann called and asked that we send her the 24 February 1976 transcript of the testimony of Messrs. Carl Duckett, DDS&T, and Lawrence Eagleburger, Deputy Undersecretary of State for Management. She said they need it first thing tomorrow morning.
